Great Guernsey Trail

Ohio

The Great Guernsey Trail runs for 7 miles from the eastern edge of Cambridge to Lore City. The paved trail occupies a former CSX

The Great Guernsey Trail runs for 7 miles from the eastern edge of Cambridge to Lore City. The paved trail occupies a former CSX railroad corridor through rural wooded countryside.

Because it parallels Leatherwood Creek for much of its route, the trail provides a great opportunity for viewing waterfowl. Rabbits, bald eagles and other local wildlife have been known to make appearances as well.

Great Guernsey Trail

Ohio
