Pickaway Trail

Ohio

The Pickaway Trail is a developing rail-trail that begins in Circleville, located less than an hour's drive south of Columbus.

The Pickaway Trail is a developing rail-trail that begins in Circleville, located less than an hour's drive south of Columbus. Currently, the trail spans 2.5 miles along the former Cincinnati-Muskingum Railroad line and is in a primitive condition, providing a tranquil experience with views of woodlands and central Ohio farm country.

Future plans call for it to stretch 12 miles west to New Holland.
