The Converse Avenue Greenway can be found alongside its namesake roadway in two discrete segments. Together, these segments provide nearly 2 miles of trail in eastern Cheyenne. Both offer wide open views.

The northern section travels from Storey Boulevard to Ogden Road. At either end are residential areas, as well as big-box stores near the segment's southern tip.

The southern section of the trail skirts the eastern border of the city's airport and connects athletic facilities at either end (the Dutcher Baseball Complex, Junior League Complex and Converse Softball Complex). These recreational areas offer restrooms, concessions and picnic spots for trail-goers.
