BPA Trail Washington

Meandering down a Bonneville Power Administration overhead electric utility corridor, the 3.8-mile BPA Trail serves as a

Near the BPA Trail's midpoint, the [West Campus Trail](#) branches off as a 1-mile spur, providing access to more of Federal Way's residences and medical offices.

Meandering down a Bonneville Power Administration overhead electric utility corridor, the 3.8-mile BPA Trail serves as a connector between Celebration Park and the downtown areas of Federal Way with its southwestern neighborhoods.

About the Route

The trail runs behind offices in the city, providing an opportunity for non-motorized commuting.

There are also frequent access points to neighborhoods, highlighting the trail's usefulness as a commuting corridor for outlying neighborhoods.

Connections
