Fountaingrove Bikeway

California

Coursing alongside busy Fountaingrove Parkway, this sidepath is physically separated from the road with a curb and row of trees

Coursing alongside busy Fountaingrove Parkway, this sidepath is physically separated from the road with a curb and row of trees and shrubs. The trail—most useful for commuting—provides direct access to the campus of Agilent Technologies, a large employer, as well as many other businesses and neighborhoods.

The path also provides convenient access to parks, including Nagasawa Community Park and the Parker Hill Open Space.

Fountaingrove Bikeway

California

States: California

Counties: Sonoma

Length: 2.96miles

Trail end points: Mendocino Ave. and Fountaingrove Pkwy. to Parker Hill Rd. and Fountaingrove Pkwy.

Trail surfaces: Asphalt, Concrete

Trail category: Greenway/Non-RT

Trail activities: Bike, Inline

Skating, Walking, Wheelchair Accessible

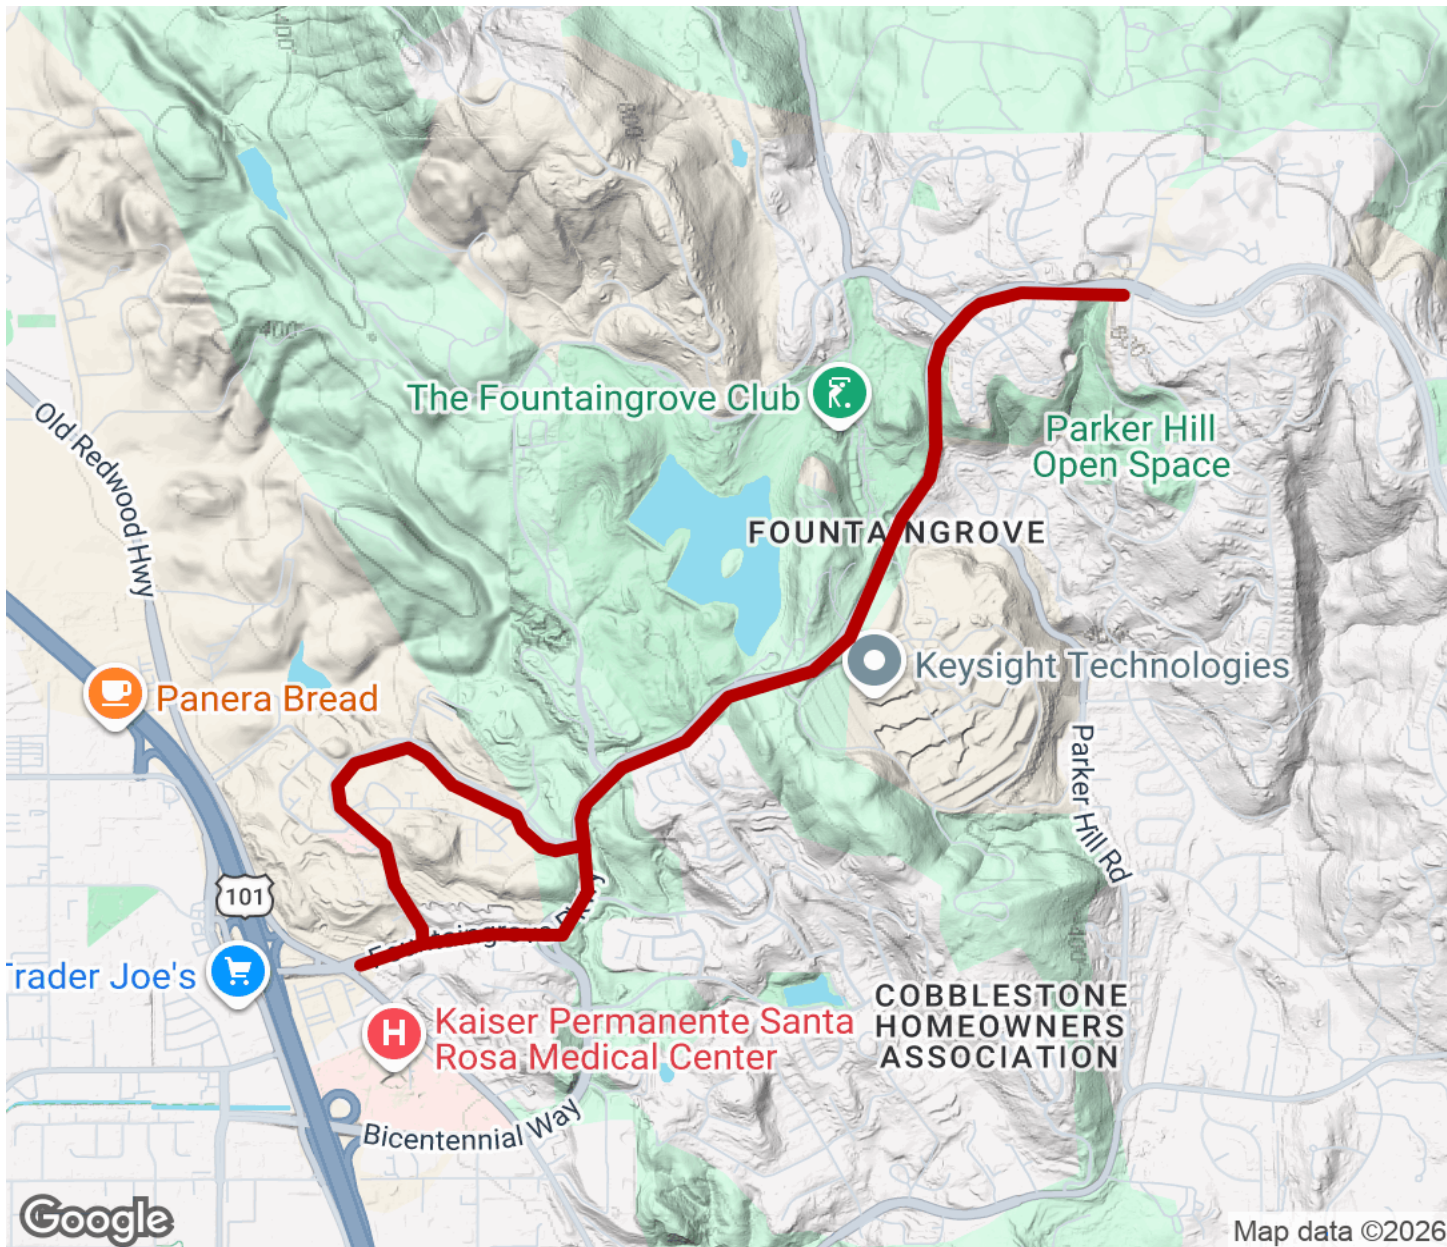

Parking & Trail Access

Parking is available at Nagasawa Community Park (1313 Fountaingrove Parkway) on the west side of Fountaingrove Parkway. Trail-goers will need to cross the busy roadway to access the trail, so use caution and utilize one of the well-marked crosswalks.
