The Matadero Creek Trail, also known as the Page Mill-Arastradero Connector, offers beautiful views of the San Francisco Bay and Santa Cruz Mountains as it winds its way through gently rolling hills and rural countryside.

The paved northern half of the trail, from Foothill Expressway (Junipero Serra Boulevard) to Deer Creek Road, closely follows Page Mill Road and is open to both bikers and walkers. Bikers should take note that the southern half of the trail, from Deer Creek Road to Arastradero Road, is dirt-packed and open to pedestrians only.
