Mansion Heights Trail

Montana

The Mansion Heights Trail passes along the northern end of a neighborhood development of the same name toward the top of

The Mansion Heights Trail passes along the northern end of a neighborhood development of the same name toward the top of Missoula's South Hills. The homes here are quite beautiful and they match the views of the valley below. The trail is short and it's separated from the road by a steep rise. A bench here and there offers a nice place to sit and take in the scenery below.
