Pendleton River Parkway

Oregon

The Pendleton River Parkway closely follows the south bank of the Umatilla River along the levee. Trail users can enjoy several parks

The Pendleton River Parkway closely follows the south bank of the Umatilla River along the levee. Trail users can enjoy several parks and city landmarks just off the trail, and glimpses of the many types of birds and wildlife that live along the waterway. The wide, flat pathway is easy to follow and offers many access points to both commercial and residential areas.

Pendleton River Parkway

Oregon
