variety of other recreational amenities.

Camp Creek Greenway runs through the city of Lilburn in northeastern Atlanta. It's paved and scenic, traversing woodlands for much of its journey. Deer, rabbits, foxes, owls, and other birds are often spotted in this natural setting. The ADA accessible trail features a 958-foot section of boardwalk and two short spur pathways provide connections to the surrounding neighborhoods. Pets are welcome; be sure to use the waste stations provided along the way.

At its western end, the trail connects to the paved 0.8-mile loop in Lions Club Park. Heading east through the woods, it parallels Camp Creek. Curving around Lilburn City Park, the trail continues to follow the creek north to the intersection of Poplar Street and Killian Hill Road. Both parks have playgrounds, restrooms, pavilions, and a

Camp Creek Greenway

Georgia
