Maurer Road Path parallels its namesake roadway for just over a mile in the city of Shawnee on the outskirts of Kansas City. The

Maurer Road Path parallels its namesake roadway for just over a mile in the city of Shawnee on the outskirts of Kansas City. The north-south route connects residential and shopping areas and, at its southern end, meets the east-west [Midland Drive Path](#).

When you reach W. 61st Street, you can take neighborhood sidewalks east along the street to reach Swarner Park, which offers baseball and soccer fields, picnic areas, a playground, skate park, and fishing pond. From the park's southeast corner, you can also hop on the [Lackman Road Path](#) to head south.
