MapleHeart Trail

Indiana

The MapleHeart Trail travels nearly 5 miles from the city of Elkhart south to the outskirts of Goshen. The trail parallels County

The MapleHeart Trail travels nearly 5 miles from the city of Elkhart south to the outskirts of Goshen. The trail parallels County Road 45 and a Norfolk Southern Railroad corridor through residential and commercial areas.

Mid-trail, you'll arrive at Ox Bow County Park, named for the u-shaped bend in the Elkhart River. Enjoy the natural plant and wildlife habitats here, as well as the wide range of recreational amenities offered, including athletic fields, horseshoe pits, a disc golf course, playgrounds, an archery range and a canoe launch.

At Wakefield Road, the new [Wilden Avenue Trail](#) continues southward into downtown Goshen, where it directly connects to the [Pumpkinvine Nature Trail](#).

MapleHeart Trail

Indiana
