The Riverfront Park Trail provides a beautiful escape not far from the busy shopping, dining and entertainment district of downtown

The Riverfront Park Trail provides a beautiful escape not far from the busy shopping, dining and entertainment district of downtown Corvallis. The trail winds through Riverfront Commemorative Park, a city showpiece with decorative landscaping, sculptures and a fountain.

The path parallels 1st Street for most of its journey and also connects residents to Eric Scott McKinley Skate Park and Pioneer Park along Marys River.
