Circle to Harrison Multi-Modal Path

Oregon

Circle to Harrison Multi-Modal Path

Oregon

The Circle to Harrison Multi-Modal Path, as its name implies, links the bike lane on NW Harrison Boulevard with NW Circle

The Circle to Harrison Multi-Modal Path, as its name implies, links the bike lane on NW Harrison Boulevard with NW Circle Boulevard. The trail is a short scenic route in northwestern Corvallis, just north of the Oregon State University campus.

The paved pathway travels through dense forests and grassy fields, connecting residents to Woodland Meadow Park, known for its beautiful wildflowers and valley views, and the Witham Hill Natural Area.

Circle to Harrison Multi-Modal Path

Oregon
