The Dorr Road Bike Path begins at South Beloit Municipal Park and parallels the roadway for its entire length. The views are primarily residential. After about three-quarters of a mile (from the northern endpoint), a short spur along Prairie Hill Road reaches South Beloit High School, offering a safe travel route for students.

The trail ends near the forest preserve in Rockton and the [Hononegah Recreation Path](#), which can take trail-goers further into Rockton or south into Roscoe.
