Two Rivers Trail

California

The Two Rivers Trail runs adjacent to the American River and connects Jibboom Street and State Route 160 in the redeveloping

The Two Rivers Trail runs adjacent to the American River and connects Jibboom Street and State Route 160 in the redeveloping northern reaches of downtown Sacramento. It provides a connection to the longer Sacramento River Parkway Trail at its western end. Scenic views of the American River await at every turn.

Eventually the trail will be extended farther east along the southern bank of the American River to California State University, Sacramento.
