The Serenity Park Hike and Bike Trail winds through western McKinney, a fast-growing community about 30 miles north of Dallas. The trail begins in its namesake park and follows a tree-lined route south through the Stonebridge and Craig Ranch neighborhoods. Evans Middle School and Reuben Johnson Elementary School are adjacent to the paved pathway. Along the way, several tunnels allow trail-goers to bypass busy streets, such as the Eldorado Parkway. [Another path](#) heads west from Eldorado and threads through Gabe Nesbitt Community Park, continuing along [Cottonwood Creek](#).
