The Cumberland Connector begins at the eastern end of the popular Silver Comet Trail and continues east nearly 5 miles along

The Cumberland Connector begins at the eastern end of the popular [Silver Comet Trail](#) and continues east nearly 5 miles along the southern outskirts of Smyrna in the Atlanta metro region. The trail travels through commercial and residential areas, offering access along the way to various neighborhood destinations like the charming Oakdale Park. On the eastern end, the trail offers access to the sprawling Cumberland Mall near the interstate interchange - on the other side of this concrete jungle lies a different kind of wilderness, with the connecting [Akers Mill Trail](#) and the [Rottenwood Creek Trail](#) allowing you to explore a pocket of wooded, natural beauty along the Chattahoochee River.
