*Although short, the River Bend Trail provides access to a recreational gem, the River Bend Nature Center, a 750-acre park*

Although short, the River Bend Trail provides access to a recreational gem, the River Bend Nature Center, a 750-acre park with woodlands, prairie, rivers, and ponds. Along the way, the paved trail runs through neighborhoods and nicely shaded areas. For further exploring, you can hop on the [Straight River Trail](#), an 8-mile journey through Fairbault that connects several parks.
