Gloria Braunhardt Bike Path

Massachusetts

Although short, the scenic Gloria Braunhardt Bike Path travels through forests and pastures full of birds and wildlife. The asphalt

Although short, the scenic Gloria Braunhardt Bike Path travels through forests and pastures full of birds and wildlife. The asphalt pathway parallels the eastern side of the present-day Interstate 95 while following the old interstate roadbed. Although the trail is paved, travelers should note that some access routes to either side are not. In a few places, the trail crosses the Little River, a major tributary to the Parker River, and is maintained by the Parker River Clean Water Association.

Gloria Braunhardt Bike Path

Massachusetts

States: Massachusetts

Counties: Essex

Length: 1.2miles

Trail end points: Hale Street to Storey Avenue

/ State Route 113
