Timmonsville Rail-Trail

South Carolina

Although the Timmonsville Rail-Trail is just a few blocks long, it runs along Main Street through the heart of this small community.

Although the Timmonsville Rail-Trail is just a few blocks long, it runs along Main Street through the heart of this small community. The paved pathway offers a pleasant, tree-dotted route to homes and businesses.

Benches along the route offer a place to relax and take a break, while brick pavers along the trail echo the former railroad tracks that once occupied the corridor.
