Florida

Linear Park follows the route of the former Florida Southern Railroad (dating back to 1886) through a historical neighborhood of

Linear Park follows the route of the former Florida Southern Railroad (dating back to 1886) through a historical neighborhood of Punta Gorda on Florida's west coast. Although only a mile long, the trail connects to two others, the [Harborwalk](#) and MURT, in the city's extensive trail network. Along its western end, trail users can also access the Visual Arts Center and the restaurants and shops of Fisherman's Village.

Punta Gorda Linear Park

Florida
