Cattail Trail provides a pleasant route through West Lafayette, beginning in Pickett Memorial Park and winding north, making connections to the Purdue University campus. Along the way, you'll travel through a mix of open spaces and woodsy coverage, and pass residential neighborhoods and two golf courses.

A not-to-miss stop is the Lilly Nature Center, where the trail crosses Lindberg Road; there you'll find interesting information on the wildlife of the surrounding Celery Bog Nature Area.

Cattail Trail
