Burke VRE Trail lies within Pohick Stream Valley Park and provides an important commuting and recreational corridor, connecting a shopping center, residential neighborhoods, and a Virginia Railway Express (VRE) station that also serves Amtrak trains.

It parallels the active commuter line for much of its length, a facility known as a rail-with-trail. The trail is paved, largely wooded, and includes one stream crossing. Bike racks, as well as enclosed bike lockers are available at the train station on the trail's west end.
