Miller Creek Trail

California

The Miller Creek Trail is a short paved path that runs on the former alignment of Lucas Valley Road. The trail follows both its namesake

The Miller Creek Trail is a short paved path that runs on the former alignment of Lucas Valley Road. The trail follows both its namesake creek and the newer alignment of Lucas Valley Road on the outskirts of Jerry Russom Memorial Park. The short but scenic trail passes through a naturally shaded area due to the abundance of trees throughout. Bike lanes on Lucas Valley Road allow cyclists to continue farther west to Westgate Drive.

Miller Creek Trail

California

States: California

Counties: Marin

Length: 0.6miles
