Ellicott Creek Trailway

New York

Ellicott Creek Trailway

New York

Ellicott Creek Trailway is an asphalt path used for biking, walking, running, and rollerblading. About the Route This multiuse pathway

Ellicott Creek Trailway is an asphalt path used for biking, walking, running, and rollerblading.

About the Route

This multiuse pathway travels along Ellicott Creek—a 47-mile waterway that flows from Bennington to the Niagara River. Located in Amherst, it also rides the outskirts of the University at Buffalo campus.
