Flatwoods Park Trail

Florida

Overview The Flatwoods Park Trail is located within a park of the same name. This multi-purpose route is a ten-mile paved loop that

picnic shelters, grills, and tables available for a fee, along with coolers and other amenities. Some caution should be used during and after rain showers, as puddles can develop. On any given day, there is a good blend of cyclists, joggers, hikers, and skaters, and proper etiquette should be used by all.

Overview

The Flatwoods Park Trail is located within a park of the same name. This multi-purpose route is a ten-mile paved loop that provides a pleasant, wooded experience with abundant wildlife such as armadillos, turtles, hawks, and deer to name a few. Flatwoods Park is one of five parks that make up the Wilderness Park system. These parks include Trout Creek, Dead River, Morris Bridge, and John B. Sargeant Memorial Park. Please note that Class 1 electric bikes (e-bikes) are allowed, but Class 2 and Class 3 are prohibited.

About the Route

Throughout the whole park and route, there are several
