*Santa Fe's River Trail is open in three segments, all of which are off Agua Fria Road. The segment farthest east is just two blocks down*

Santa Fe's River Trail is open in three segments, all of which are off Agua Fria Road. The segment farthest east is just two blocks down from the Santa Fe Railway and just across from De Vargas Park. This longest portion of the trail travels past several parks, making it the most popular segment to ride. The other two portions travel behind residential neighborhoods and terminate near the Veteran Memorial Highway.

## River Trail

*New Mexico*
