The Hampton Spur Bike Trail, located in the community of St. Simon Island on Georgia's southeast coast, is a relaxing ride that provides scenery of trees as well as the rivers and ocean surrounding the small island. The paved trail parallels Lawrence Road, separated from the roadway by a wide, grassy median, and travels to the northern portion of the area, passing Frederica Park along the way. Historic markers can also be found as well as stopping points for snacks and breaks.

Hampton Spur Bike Trail

Georgia
