The Sawmill Bike Path currently consists of two open segments—with a third in the works to link them—just south of the resort town of South Lake Tahoe. When complete, the trail will provide a seamless route from the small community of Meyers to Lake Tahoe Boulevard.

The northernmost segment runs adjacent to Sawmill Road from Lake Tahoe Boulevard, where a connection to the [Lake Tahoe Boulevard Bike Path](#) can be made, to a point just east of Echo View Estates. The southern segment begins where State Route 89/US 50 crosses the Upper Truckee River and heads south to Meyers, passing the Lake Tahoe Golf Course on the way. At the trail's southern end, continue on the [Pat Lowe Memorial Bike Path](#) to reach a cluster of businesses along the highway in Meyers.
