The Lowell Riverfront Trail is a multi-use trail located within Rotary Park. The paved trail travels from the park entrance to the north end following the Snohomish River. You can encounter numerous wildlife such as owls, river otters, orioles, and eagles. Amenities such as picnic tables, restrooms, water, and fishing are also available. While you are enjoying the trail you can also take in sights of Mt. Baker, Rainier and the Cascades.

A few streets north of the Lowell Riverfront Trail beginning on Everett and Grand Ave., you can take the a historic tour of the old industrial Everett waterfront via the Mill Town Trail.
