Mercy Trail

Arkansas

The Mercy Trail provides a safe and scenic route for commuting and recreation in Rogers, as it follows Osage Creek under local

off-road, shared-use trail that extends from southeast Bella Vista to the southern edge of Fayetteville.

The Mercy Trail provides a safe and scenic route for commuting and recreation in Rogers, as it follows Osage Creek under local roads and Interstate 49. Two of Rogers' largest employment centers—Mercy Hospital Northwest Arkansas and Pinnacle Hills Promenade, a local shopping mecca—can conveniently be accessed along the way. The trail's southern end skirts the edge of the Greens on Blossom Way, a large golf course and apartment community.

The trail also connects to a host of other trails in the community, including the Osage Creek Trail, [Horsebarn Trail](#) and Promenade Trail in the north, and the [Pleasant Grove Trail](#) in the south. Several of these pathways, including the Mercy Trail, are central components of the [Razorback Regional Greenway](#), a 46-mile, primarily
