Ram Trail

Michigan

The Ram Trail is a close to 2-mile trail beginning at Holt High School where there is access to tennis courts, soccer fields, softball

The Ram Trail is a close to 2-mile trail beginning at Holt High School where there is access to tennis courts, soccer fields, softball and baseball diamonds and playgrounds. The trail runs eastward through town of Delhi as well as the Holt downtown area to Eifert road. Several schools are within the area and Kiwanis Park. Also, a connection is made to the Valhalla Trail through an enhanced sidewalk that is adjacent but separate of the main road. This leads to the rest of the trail system going north to Lansing and the campus of Michigan State University.

Ram Trail

Michigan
