Fort Desoto Island Park Trail

Florida

The Fort Desoto Island Park Trail is a paved path running the entirety of the offshore key for 6.6 miles. About the Route Lying

locations in the U.S. state of Florida where the state's bird habitats are protected.

The Fort Desoto Island Park Trail is a paved path running the entirety of the offshore key for 6.6 miles.

About the Route

Lying southwest of St. Petersburg, visitors to the Fort Desoto Island Park Trail, visitors to the island will notice remnants of the former military fort on the island and have access to two piers, beaches, picnic areas, camping areas, bicycling trails, a kayak trail, and a ferry to Egmont Key State Park. Bike rentals are available on site and fishing is permitted. Visitors to the island will also enjoy the Tampa Bay overlooks all along the trail.

The trail is also known as a gateway site for the Great Florida Birding Trail, a collection of more than 500
