Oak Valley Trail

Texas

As the name suggests Oak Valley Trail is a trail slightly over two miles tucked within a valley of Oak trees. These wonderful trees

As the name suggests Oak Valley Trail is a trail slightly over two miles tucked within a valley of Oak trees. These wonderful trees provide not only incredible scenery, but the perfect shade for those hot Texas summers. The Transportation Department made this trail possible with a grant. Oak Valley Trail is only one part of a planned trail network, with the goal of enhancing pedestrian commuting.
