Bonita Canyon Trail

California

The Bonita Canyon Trail is a 3.4-mile side path along Culver Drive and Bonita Canyon Drive linking the Orange County cities of Irvine

Canyon Sports Park. There is trail signage and trail safety signs along the route.

Connections

Near the route's midpoint, pick up the [Shady Canyon Trail](#) to head northeast to the scenic Quail Hill Preserve and to connect to the [Turtle Rock Trail](#).

Alternatively, continue on the sidewalk past University High School to reach the popular [University Trail](#) from the Bonita Canyon Trail's northern endpoint.

The Bonita Canyon Trail and these other trails are all part of Irvine's extensive trail network, offering additional opportunities for recreation and transport.

The Bonita Canyon Trail is a 3.4-mile side path along Culver Drive and Bonita Canyon Drive linking the Orange County cities of Irvine and Newport Beach.

About the Route

From its northern end at the intersection of Campus Dr & Culver Dr in Irvine, the side path follows along the east side of Culver Drive south to Shady Canyon Drive. Crossing Shady Canyon Drive and Bonita Canyon Drive, the route continues southwest along the west side of Bonita Canyon Drive to MacArthur Boulevard.

The Bonita Canyon Trail connects residential communities, parks, and a few shopping areas. The southern end of the path is across the street from Bonita
