The Bon Air Road Sidepath, as its name suggests, closely follows Bon Air Road in scenic Larkspur and Kentfield. The main trail begins at a junction with the [Creekside Loop](#) at Magnolia Avenue and runs north to Marin Catholic High School (just south of Sir Francis Drake Boulevard). Visitors will want to stop to take in sweeping views of Corte Madera Creek and the surrounding hills from Bon Air Road's slightly arched bridge.

Just north of the bridge, the [Corte Madera Creek Path](#) extends along its namesake waterway northwest to Ross. Even farther north, a spur of the Bon Air Road Sidepath runs through Hal Brown Park at Creekside. Trail users can enjoy the park's playground and neighboring marshland as they work their way north to the spur's endpoint on Sir Francis Drake Boulevard, adjacent to
