Bentonville's Arkansas Missouri Trail is a short rail-with-trail that links two prominent local destinations at either end: Walmart's David Glass Technology Center in the west and Northwest Arkansas Community College in the east. Along the way, the trail and train tracks share a convenient and safe undercrossing of busy Interstate 49.

At Moberly Lane on the trail's western end, trail users can continue north on the [Moberly Lane Trail](#) to reach popular Memorial Park.
