Enfield Park Trail

Arkansas

The Enfield Park Trail links the Crystal Bridges Trail—part of the impressive Razorback Regional Greenway—with Enfield Park, one

The Enfield Park Trail links the [Crystal Bridges Trail](#)—part of the impressive [Razorback Regional Greenway](#)—with Enfield Park, one of several well-maintained neighborhood parks in Bentonville. Most useful as a connector and not necessarily as a destination on its own, the trail still offers pleasant woodland scenery on its short route along the northern edge of the Crystal Bridges Museum of American Art grounds.

Enfield Park Trail

Arkansas

States: Arkansas

Counties: Benton

Length: 0.21miles

Trail end points: Crystal Bridges Trail at NE A St. to Enfield Park on NE Waverly Way

Trail surfaces: Concrete
