The Roark Creek Trail provides a pleasant, tree-lined east-west corridor across Branson. As it follows its namesake creek, the paved pathway provides access to North Beach Park on its east end and Stockstill Park midway. The former offers fishing docks and picnic tables along the banks of scenic Lake Taneycomo. Stockstill Park provides two playgrounds, ball fields, and tennis courts for family-oriented outdoor fun.

Future plans call for extended the trail farther west to Henning Conservation Area.

Roark Creek Trail

Missouri
