The Bouquet Canyon Trail is open in two disconnected segments—both along Newhall Ranch Road—in Santa Clarita. The western segment runs along the south side of the road from Vanderbilt Way to Avenue Tibbitts, providing access to a variety of industrial and commercial businesses.

The eastern segment is more residential in nature along its course from a junction with the [San Francisquito Creek Trail](#) to Bouquet Creek. A trail bridge midway along this stretch provides safe and direct access to Bridgeport Park and Bridgeport Elementary School over Newhall Ranch Road. At Bouquet Creek, the trail turns north to briefly follow the south side of the channelized waterway to trail's end at Bouquet Canyon Road.
