## Franklin Creek Trail

California

*One of the newest trails in Elk Grove's impressive system, the Franklin Creek Trail provides extensive recreation and active*

One of the newest trails in Elk Grove's impressive system, the Franklin Creek Trail provides extensive recreation and active transportation options to residents of the city's southern neighborhoods. The trail links hundreds of residences with schools, businesses and parks along its scenic route.

As its name suggests, the bulk of the trail follows generally dry Franklin Creek. Away from the creek, another leg parallels Franklin Boulevard, while secondary spurs provide access to Big Horn Boulevard and Spring Flower Drive.

# Franklin Creek Trail

California
