Shuster Way Heritage Trail

Pennsylvania

Shuster Way Heritage Trail

Pennsylvania

The Shuster Way Heritage Trail (formerly known as the Bedford Heritage Trail) provides a safe and picturesque connection

The recent trail extension (2023) has extended the trail to Old Bedford Village another 1.75 miles north of the town with a newly completed crushed stone trail.

The Old Bedford Village (220 Sawblade Rd, Bedford) is a living history museum open from May through October.

The Shuster Way Heritage Trail (formerly known as the Bedford Heritage Trail) provides a safe and picturesque connection between a topnotch resort and a nationally recognized downtown. From the Omni Bedford Springs Resort and Spa, the trail snakes across Shober's Run creek, passes Elks Lodge and Golf Course before entering historic downtown Bedford. The trail signage borrows from the flag emblem of Fort Bedford, which lies along the Heritage Trail in downtown Bedford.

The trail invites users to explore the cultural and historic assets of Bedford County. In addition to downtown dining, shopping, museums, architecture, and monuments, the trail offers five educational displays and a self-guided historic walking tour.

Shuster Way Heritage Trail

Pennsylvania
