Corolla Greenway offers beautiful views of Currituck Sound and maritime forest along North Carolina's popular Outer Banks. The

Corolla Greenway offers beautiful views of Currituck Sound and maritime forest along North Carolina's popular Outer Banks. The paved north-south pathway, which largely parallels N.C. Highway 12 (also known as Ocean Trail), offers access to the beach, boardwalks over wetlands, residential neighborhoods, and shopping and dining areas, like Monterey Shopping Plaza.

A highlight of the route is passage through Currituck Heritage Park, where travelers will find the 162-foot Currituck Beach Lighthouse, the circa-1920s Whalehead Club with its art nouveau architecture, and the Outer Banks Wildlife Education Center.

Corolla Greenway

North Carolina
