North Wildwood Seawall Trail

New Jersey

Along New Jersey's coast, a pathway atop a concrete sea wall provides a popular place for North Wildwood residents and visitors

Along New Jersey's coast, a pathway atop a concrete sea wall provides a popular place for North Wildwood residents and visitors to enjoy ocean views. Beginning near 2nd Avenue and John F. Kennedy Boulevard on the seaward side of the city, the route traces the Hereford Inlet. Along the way, a worthwhile side excursion is a visit to the Hereford Inlet Lighthouse and its surrounding gardens. At the southern end of the trail, you can also easily access the nearby Wildwood Boardwalk, a popular local attraction.
