The Prospector Rail Trail enhances connectivity both within West Bountiful, and between West Bountiful and other communities. The multipurpose trail occupies a former railroad right-of-way for 3 miles, beginning at Porter Lane and terminating near the intersection of N 900 W and W 400 N streets, traveling through mostly suburban areas. It intersects with the Legacy Parkway Trail, and also forms the southern portion of the Denver & Rio Grande West Rail Trail, which extends all the way to Roy, about 20 miles north of West Bountiful.
