6th Street Rail Trail

Florida

The West 6th St Trail utilizes an abandoned rail corridor that runs partially parallel to West 6th Street, through an urban area of

The West 6th St Trail utilizes an abandoned rail corridor that runs partially parallel to West 6th Street, through an urban area of Gainesville. The paved hiking and biking pathway connects to the [Depot Avenue Rail Trail](#) at its southern end, and terminates at the north end at NW 16th Avenue. The trail is planned to eventually extend further north to NW 39th Avenue.

6th Street Rail Trail

Florida

States: Florida

Counties: Alachua

Length: 1.7miles

Trail end points: NW 16th Ave at NW 2nd St to
Depot Ave & SW 6th St
