North Buffalo Rails to Trails

New York

North Buffalo Rails to Trails offers a tree-lined paved pathway through Minnesota Linear Park in the University Heights

North Buffalo Rails to Trails offers a tree-lined paved pathway through Minnesota Linear Park in the University Heights neighborhood. Although less than a mile long, it offers two important links in the community. At its southern end, is the LaSalle Metro Rail Station and, at its northern end, is a connection to [Tonawanda Rails to Trails](#). In addition, the trail provides access to Shoshone Park, which offers a number of amenities, such as a pool, basketball court, tennis court, playground, and ball fields.
