The parkway is a Schertz landmark, and the trails on either side allow walkers and cyclists to experience it in safety. The 3.1 mile is popular with Schertz residents of all ages. It has also been used as a site for fun runs and other events. The shared path connects neighborhoods along its route to parks, schools and city services. Trash cans and water fountains are available. Planned extensions along the drainage canals are in progress.

Schertz Parkway

Texas

States: Texas
