The White River Greenway in Anderson, IN is approximately 4.89 miles paved (with a small section of boardwalk) along the White

The White River Greenway in Anderson, IN is approximately 4.89 miles paved (with a small section of boardwalk) along the White River and continues approximately 1.7 miles unpaved. It links multiple parks, including the Rangeline Nature Preserve which consists of 3 mountain biking loops: a beginner, intermediate, and expert level. In addition to Rangeline, the White River Greenway connects into the Killbuck Wetlands, Shadyside Park trail system, Madison Park / Derby Downs, Riverbend Park and conservation area, Athletic Park, and Edgewater Park. The trail is also just a few minutes from Anderson University, Downtown Anderson, and Mounds State Park. It provides a unique opportunity linking nature to urban recreation.

White River Greenway

Indiana
