connects to the [Bayside Trail](#) and the [East Promenade Trail](#).

The paved Back Cove Trail rings its namesake tidal basin and offers lovely views of the Portland skyline. Look for great blue herons or other birds along the tree-lined waterfront.

About the Route

A good place to begin is Payson Park, on the cove's north shore, where there is parking and the Longfellow Arboretum, which is worth checking out before starting the trail. On the south side of the bay, Back Cove Park offers several athletic fields.

Connections

At Sewage Plant Road under Tukey's Bridge, the trail

Back Cove Trail
